

Information on The Anglo-Chinese Schools Foundation

The Anglo-Chinese Schools Foundation (ACSF) funds programs at the ACS schools in Singapore and aids their students through student grants, bursaries and awards. Funds collected by the foundation are directed mainly to causes and areas in the schools where the funds are insufficient or unsupported by other sources of funding.

Below are the programs which ACSF funds the ACS schools.

- Special Needs
- Student Enrichment (CCAs)
- Lifeskills, Educational and Career Counselling
- Values in Action
- Others (e.g., Staff Continuous Education & Skills Upgrading, AI Enhanced Tools, etc.)

The foundation manages bursaries and awards that donor wish to set up for the schools and students. For example, The 'Lim Teow Lin Bursary' helps needy students at ACS Barker Road while 'The Integrity Award: In Memory of the late Tan Sri (Dr) Tan Chin Tuan' was instituted to promote this value in students at all ACS schools in Singapore. Recipients are nominated by the schools and ACSF disburses the bursaries and awards through the schools accordingly.

Through student grants, ACSF supports programs for students in need to ensure that every student receives a proper basic education that is vital to each of their lives with the ACS experience. One such program the foundation supports is the School Pocket Money Fund, which provides financial support for students in times when the student or his family faces economic hardship that the school may not be able to cover. More than 100 students have benefitted from this fund since 2021 and we hope to continue this support in the years to come.

The foundation also gives sponsorships to ONE ACS initiatives which aims to unite the ACS students and staff across all the schools, as well as the alumni, through new ideas and initiating combined programs and activities. ACSF has been the main sponsor of the ONE ACS Career Forum since 2015. The Forum focuses on educational and career pathways as well as life-skills. Another of such initiative is the 'Mr and Mrs Earnest Lau Memorial Lectures', which is intended to provide insights, information and inspiration for their growth, impact and positive influence on the schools' educational landscape. ACSF is the presenting sponsor of this lecture series which was named after 2 important figures who played pivotal roles in the ACS schools and embody the schools' values and ethos.

The ACS Foundation

With ACS having been granted approval to start a Special Needs School, ACS Academy, the funding requirements will certainly be enhanced. The ACS Foundation deeply appreciates our donors' willingness to be part of our journey and hopes to continue this collaboration and lasting partnership in the years to come.
