Teacher Aide (TA) programme is one of the many ways through which the Parent Support Group partners the school to add value to its brand of holistic education.

TAs are a group of committed parent volunteers, equipped to assist the teachers in the classroom. In specific cases, TAs work one-on-one or in smaller groups with children who may need extra help.

Testimonials

It is my honour to be Teacher Aide because it allows us as parents to contribute back to the school in a meaningful way. It is also a pleasure because one gets to see a child grow and progress as he navigates through school life.

~ Chua Boon Leng (TA since 2021)

Serving as a TA, I found myself refining my values such as patience, humility and empathy. There is extreme joy when the boys whom I've helped, acknowledge my presence in their lives. I consider it my privilege to be able to serve and I look forward to more enriching journeys ahead!

~ Fanny Tan (TA since 2021)

My main motivation of being a TA is to help the boys reach their potential by assisting the teachers in class. I am thankful to be able to contribute to this meaningful programme for the boys.

~ Annie Cher (TA since 2019)

Beautiful hearts with sparkles of faith, hope and love; richly rewarded by every child's journey and growth - thank you for such a wonderful memory.

~ Benjamin Phoon (TA since 2017)

Being Teacher Aide has been a most enriching and fulfilling experience for me! I really enjoyed working with the 28 boys placed under my care and seeing them blossom. Every boy when given the time and opportunity can reach their full potential!

~ Sherlyn Wong (TA since 2016)
